The Premises:

Sauna2k is right near Finsbury Park station which isn't a great place to be sometimes. I've never been to 2k before but have always been past it. It was a typical sauna set up. ?15 top enter was a bit steep I thought, you enter straight into a lounge with the girls there - they dont introduce themselves. There were 5 there when I visited. There are a few working warm showers, clean towels & lockers. A bit scruffy but good enough. the room itself was fine.

The Lady:

"Wuna" not sure of the spelling was a pretty Thai lady, late 20s/early 30s. nice boobs, slim body, cute face.

The Story:

So far, so normal... then I got the most amazing proper Thai massage. It was brilliant, best ever massage. It wasnt very sexy but it was great nonetheless. I felt she'd rather I had a decent thai massage than a quickie. I liked it so much I paid for another 30 mins - never done that before.

We did end with some oral and sex with. Which was a great end to the massage.
