The Lady:

Carly is a tall, attractive, curvy lady with a lovely set of natural breasts.

The Story:

This was a pretty good punt. Carly is a very friendly lady who gives an excellent service. We started off with the usual rub, with Carly diving in-between my thighs to lick my balls. Lovely.

We then moved on to OWO with me lying on my back. This lasted for a few minutes before Carly told me to stand against the wall. She then swatted down and proceeded to give me some more OWO with me looking down on her. I thought I'd better get her back on the bed and rubber up before this sexy minx had me emptying my man-fat over her.

We tried a few positions before I couldn't hold out any longer. All in all a lovely punt with a lovely girl.

One final thing, the web listing is wrong on PN ? it's now www.wfbstunnas.co.uk. I'm not sure if WFB needs to let Galahad know, or it can be changed automatically. In the interests of correct information, can someone change it.
