The Story:

Well, been a long time since I reviewed anyone, mainly 'cos I now see my regular favourites. Bliss was the first new girl I'd seen in a while.

She is very fit, gorgeous looks and body. I did however, find it hard to "click" with her..not sure why. Service was fine, decent BBBJ and she came loudly with reverse oral, don't think she was faking judging by the flushed skin colour!. Liked having her hair pulled and fucked hard in doggy..

All in all, I wouldn't see her again but I'm sure lot's of you would love her.
