The Premises:

Small flat at the top of a large house a short walk from the Exhibition end of Earls Court Tube station. Flat was not very tidy and was in need of some tlc. Felt safe.

The Lady:

Very slim Russian lady - attractive but not particularly pretty - her pictures on the ATOC site flatter. Good figure, with nice full breasts.

The Story:

Offered a shower which I took - unassisted - and then returned to her room to find her lying on her bed in her bra and panties, very attractive. Proceeded to kiss and carress and then moved to a gentle OWO. Had to ask her to change her position so I could continue to touch her. Moved into sex in mish position which did not result in completion but she then allowed me to massage her arse whilst she finished me off with an oily hand relief.

A pleasant hour with a willing and pleasant girl. Good efficient service from the agency.

Recommended but I will not revisit as I am sure that there are many more good opportunities out there!!
