The Premises:

Very understated place, 1 minute from Barons court tube station

Clean and safe, no problems parking right outside on a meter, around ?5 for the 4 hours

The Lady:

all 4 ladies were, slim and sexy & pleasant

The Story:

No entry is allowed until the time the party begins, so 2pm, means 2pm, not 1:50pm.

Once inside, you are offered a drink of your choice, soft or beer / spirits very nice

Be reminded that you've got to bring your own Condoms to this place, all action is covered, even the blow jobs, which was a bit disappointing.

It was a quiet start, so I took the opportunity to take a shower before it got busy, afterwards I went back downstairs wrapped in a tiny towel, which if you are a bit on the round side, is not long enough to go round you

Anyway into the bedroom to hang up my clothes in the wardrobe provided, and lay on the bed to be joined by 2 of the girls, one of them a Thai woman, who is very talented at sucking, while I played with and fingered the other one.

About an hour into the Party, the door bell rang and it was a woman in her late 20's nice looking, and around a size 14, with nice big boobs, all the guys were a bit puzzled by her appearance as she was obviously not known to the staff, but after 10 minutes of her sitting in the kitchen with the guys, she finally said ? are none of you guys going to take me into the room and fuck me ? so with that , 2 of the guys did, and I also joined them, she sucked all 3 of us covered, while one of us fucked her, she sucked the other, and wanked the other. Not sure if the other girls there, felt left out or just glad of a rest !!!! She had about 45 minds of fun, then got dressed and left.

The rest of the party went very well with all the girls being quite friendly, this is my first full Gang bang party and I will be back, I had a great day's fun, came 5 times with a host of lovely girls, and

for ?120, I think it?s a bargain.
