### The Premises:

Outcall, Laila visited me.

### The Lady:

Laila is about 5 ft 8 tall, slim build with petite breasts. She's 25 but looks younger. She is Asian, which I asked for specifically.

### The Story:

Laila is a very chatty type of girl and will happily tell you all about herself and her firends. This si useful as it brings out things that you wouldn't normally find out. I found out she is bi-curious and likes to watch girl on girl porn. Brigning out a suitable DVD we moved into the bedroom to watch it. Things took their natural course and Laila provided good oral without, and we indulged in some 69. We moved onto sexin a number of positions and I'm pleased to say Laila lived up to my hopes. ?240 sounds expensive, but it was a solid two hours of pleasure.
