The Premises:

No problems finding her place - clear directions given, needing only a few minutes walk from Belsize Park tube. After being buzzed in there are steep stairs to climb to get to her top floor flat. Watch out coming down as I banged my head on the stair lintel.

The Lady:

She is just like her photos: a tall, very slim blond. She has tanned since the photos and has a tattoo over her bum. Her clear brown eyes are piercing.

The Story:

After settling the arrangements and stripping off I asked her to take off her bra and panties and then enjoyed myself sucking her tits and licking her pussy, I was hard at this point so she rubbered me up, pushed me back on the bed and gave me a deep BJ. When I was suitably aroused she squatted on me, pushed me inside her and proceeded to thrust down on me in a variety of speeds. Having this gorgeous woman bouncing on my prick, with a cheeky smile on her face and a glint in her eyes, soon brought me off big time. After a cleanup we got chatting: there was no pressure to leave. Daniella is a sharp cookie and lets you know what she thinks.
