The Lady:

Jin is so sexy I felt slightly intimidated being around her as I knew I would never get a girl like this in real life, she looks absolutely incredible, and as other reports have said, she is better than her photos in the flesh.

The Story:

Jin is good, make that really good at what she does. I requested a school uniform which she wore, and she looked very young and innocent and it felt so wrong but so right at the same time. Got the payment out of the way quickly and then it was onto the action and everything was on offer. She gave me the best blowjob I have had in my life, the sex was incredible, and she tried hard with the anal which after a while got easier for her and even though I think it hurt her a little she perservered and it felt great. Jin is as good as the other reports have stated and is a must see.
