The Premises:

Nice flat in suburban area of Newark just off a main road. Waiting room nice, offered a drink. Nice room with mirrors, music and video.

The Lady:

Absolute stunner. Tall, blonde and leggy. V large enhanced breasts and beautiful arse. Nice tan as well and pretty face with lovely eyes. Not just a horny looking lady - Jordan was also well spoken and chatty.

The Story:

Nice massage with Jordan's expert hands. Rubbed her huge tits on my back and they were certainly the firmest I've ever come across (pardon the pun). Very sexy when touching me and talking to me while massaging me then onto my front for some rubbing with hands and tits with baby oil on my cock. V nice blowjob covered and Jordan was kind enough to lick and suck my balls, which I love. Shagged with her on top then took her from behind. Pure heaven to fondle those huge firm tits and see her looking at me in the mirror. She finished me off by hand which was superb. Don't think I've ever come so hard. Absolutely amazing - stunning woman, spectacular shag!
