The Premises:

An upmarket flat, clean and tidy, with good facilities. I was let in by a buzzer, and on the first floor there is a waiting area, with a settee and toilets, and Nia met me there and led me to the flat upstairs. There were one or two people about, but I didn't feel conspicuous. It was a mix of private and public, like visiting a Harley Street Doctor. Discreet and slightly classy.

The Lady:

Nia is Dark and Lovely indeed, as the website suggests. Mid 20s, with a fine figure. Not stick thin, not fat. Beautiful breasts and bum. Physically Nia is my ideal. Built for comfort, like a limousine.

The Story:

This was my third visit with Nia, the previous one a year ago. When we were emailing to arrange this visit, I realised she remembered me from before. This is impressive. On meeting, she was fully dressed, and we quickly shed clothes and started kissing and cuddling. Proceeding through OWO to 69 to cowgirl to mish. I had all I wanted from a punt, and Nia delivers with lots of giggles and chat. I cannot imagine a better GFE. For one glorious hour I felt 40 years younger.
