The Story:

arrived and chatted for a few mins before sorting out the cash. Shown to the shower and then onto the bed. She was wearing high heels and stockings as requested. She looked good with her clothes on and even better with them off. We were soon interlocked and her hands and mouth did wonders. Asked her to stand and bend over and shagged her standing like that first and then onto the bed and her legs on my shoulders to finish off, All really very nice and great fun.
