The Premises:

Her flat is off the main run, tucked away. Felt very safe with no nosey neighbors. Inside was clean and the bedroom especially is bright and tastefully decorated.

The Lady:

A very beautiful woman in her early 30s who looks after herself and takes care with her appearance.

The Story:

I had asked for a girlfriend experience with lots of kissing. This is exactly what I got and more. Massage, plenty of foreplay and sex. After cumming the first time she carried on kissing and touching until I was ready again, which was quite quickly.

She always made sure I was enjoying myself and would highly recommend to anybody who is slightly nervous.
