check the pics out, it is her and she looks fantastic, a couple of fun piercings to find as well, i dont need to say any more as fantastic sums it up!

The Story:

i have been to see charlie a couple of times now and have finally got round to writing a report, she could be my perfect woman looks good sounds good(god i love the northern accent weirdly even more so when she goes all shameless for me haha) am hoping her offer of marriage was serious(although the parents are still alive and well so our plans might have to wait for a bit charlie) as for the things you guys might wanna know just ask her, if you can offend her then your just a weirdo who needs help haha

ohh yeah i hope you've sorted the crack in the ceiling, otherwise i'll have to find a few positions to make sure you never look up!! charlie i have bought a watch and its set to big ben so i wont be late any more!(thats not legally binding) and finally i hope the little issue at home got sorted ok and i will see you again soon
