The Premises:

Sensations has been described before and as always I was able to park right outside (free for 2 Hours!) I had thought they had got rid of the creaky beds - well maybe they had but they do take some pounding! LOL

The Lady:

Slim pretty brunette with hair down past her shoulders. Aged 29 but looks much younger 5ft 4ins and 32C. No piercings and no obvious tattoos.

The Story:

A pleasant gentle young lady but she said she really wasn't into cuddling (which was a pity because as a widower this is one of my major enjoyments), although she did allow caressing. When it came to the nookie another surprise - she could not do cowgirl because she had recently broken her leg (!!!) so we went for mish.

Not my best experience but adequate (just) I will return as I have previously had some good times at Sensations. Kelly said that she would do cowgirl next time. She is there all day Friday and Saturday evenings.
