### The Lady:

Oriental lady size 10/12? (blinking crap at guessing) around 5ft 9 with long dark hair nice pert boobs and around mid 20s.

### The Story:

Not visited Blue Ice for a couple of years so found myself in Brum and stuck for something to do in the dinner hour just round the corner from premises, found Blue Ice still there.

2 lovely girls available, 1 blonde and Linda, opted for Linda who was a good looking oriental.

Waited in room for couple of minutes after maid collected funds, Linda came in a little peck on the cheek struck up a good conversation no language problems, was asked if wanted massage, nah straight onto main event.

Had covered oral followed by covered sex in mish tried to slow up by sucking her tits but she had good muscle control and kept squeezing me inside her did not last much long and shot my sex wee, finished off with a massage (just to get my moneys worth).

Would return to see Linda, was her first day working at Blue Ice had previously worked in Sheffield.
