The Premises:

Small discreet flat just off Baker St, up four flights of stairs. Fit for purpose, no problem with anything (except the stairs!)

The Lady:

Claudie is Czech, speaks very good English with a slight accent, and is very friendly and easy to talk to. Physically, she has long blonde hair, is quite tall, and has a shapely curvey womanly figure. Not fat or flabby, with gorgeous breasts and bottom. Lovely fresh pussy (with little tuft of fur) and anus. Attractive, and the glasses that everyone mentions are sexy.

The Story:

Very good value - one hour for a hundred pounds is a bargain with this girl. Extras were OWO and facial for thirty pounds (another bargain) and proper watersports (twice!) for twenty pounds. This is basically a GFE with lots of kissing and cuddling/stroking, but a GFE with a really dirty girlfriend, who love you to suck her nipples, and tongue her pussy and anus, and loves to suck and stroke your cock and take your spunk all over her face. She's good at talking dirty too, which I like. She really seemed to enjoy the watersports too (her giving - I don't think she receives), giggling and making dirty comments. She is very uninhibited, and likes to talk about all the cocks she sucks and fucks. She told me that I was really dirty because I was making such a meal of licking her bum and fanny. She will do anal, but this is ?100 extra, and she will arrange threesomes with another Czech girl. She's a really nice girl, not hard or cold at all, and with rather more personality than some EE girls. What's not to like?
