### The Premises:

Clean, good area, safe

### The Lady:

Curvy, silicon in all the right places. Photos heavily touched up.

### The Story:

Don't know who/what earlier reports are all about. Sure enough, this bird doesn't look too bad, having spent the money she must have on a boob job and loads of botox or whatever else they call it to fill her lips with ...etc.

The worst bit: her terrible attitude. This one thinks and acts as if she is actually doing you, a paying user, a favor by sleeping with you. Terrible sex, rushed, mechanical and whatever awful thought can come to your mind. Left mid-way, and didn't regret it. Only regretted ?200 badly spent.
