The Premises:

Easy to find block of flats on Porchester road, Royal Oak is the nearest tube. There is a porter in the foyer that doesn't ask questions. Flat is a bit sparse and basic but the shower is ok with clean towels.

The Lady:

Blonde 19yr old Russian, size 12...the website photo's give a good representation of her body size, though they don't show up the small acne problem she covers up with make up, still a pretty girl though.

The Story:

I pretty well new what I wanted when I visited Lucy and that was to sample her much lauded deep throat, and boy does she deliver!

I spent half a hour of my 45 minutes with my large cock fucking the back of her throat, several times I asked her if she wanted to take a breather but she just grins and carries on!

She drew two loads out of me in the allotted time and swallowed the lot.

No idea what she like to shag...but who cares when her oral is that good!
