The Premises:

Fantastically clean as always !!

The Lady:

Jada looked awesome, she has a figure to die for ! Lovely big titties and an awesome ass.

The Story:

Started off with an oily massage which was really nice, with Jada talking to me and asking questions making me feel really relaxed. On with the rubber and a bit of oral which was not bad at all, tried to get her to go down a little bit further but didnt want to choke the poor lady.

Sex with her on top was awesome, tits swinging away in my face really turned me on. Great doggy style with me really ramming her hard - groans in the right places, shame I was so tired as I could have kept that going all afternoon.

Finished with me finishing myself off by hand staring at her amazing ass and pussy as she waggled it close to my face.

Highly recommended.
