Notes: Formerly Notorious Girls NW

The Premises:

The usual high standard NG house...nice relaxed atmosphere met at the reception by a vision of loveliness dressed in very little....sorely tempted to book this girl as she walked ahead of me to the lounge....lacey tights A very skimpy thong & a low cut bra.

The girls assembled & again spoilt for choice....all the awesome NE girls + some new local girls.....I decided to make my mind up on the way back to reception...this is where I met Hazel.

She introduced herself. Smitten on the spot.

The Lady:

Hazel is as her description on the NG site quite tall & very slim & shapely, brunette & very attractive...she would turn heads & make most men very hard by just entering the room. A friendly girl with an outgoing character. Really her description doesn't do her any justice as the really her is very feminine-evocative.

She was dressed in a little basque, thong & a wrap round lacey cover up that accentuated her shape in provocative way....

The Story:

Hazel is a very full on sensual woman....she is not a girl. I showered whilst she lay on the bed in a most sensual pose that made me rock hard, she towelled me dry...rubbing & fondling.

She then gave me a very very sexy massage, sat atop rubbing her clit on my back...I sensed she was making herself very wet...& was excited.

Turn over she again sat astride & rubbed her very erect clit on full on.

This is the GFE - not contrived or a routine....just awesome.

Lots of full on kissing then she introduced herself to me...a very erotic OWO not deep by stimulation in the right place...we had to slow down....really slow down.

I returned the oral & realised she was very much in control pacing me in a most expert way...at this time I had totally lost track of time & didn't know whether to continue in the most delicious 69...

She then let me rub her clit with my raw stiffness this I find the most sexy thing & it's almost a let down when you enter...I have come on the spot in the past at this first hurdle.

Hazel showed her total control & besides pleasuring herself got me ready to enter her - I have never

experienced a condom put on with such delicacy. Into mish..her movements were just sheer animal passion..I believe her in this being her favourite position...I made love to her until I thought she was to cum.....rolling her onto her side & entered her in the most deep coupling I have ever had. I think the depth shocked her....she gasped.

Then she took command again & positioned herself atop me & moved her hips to get me deep & make coital movements that could make you drunk.....her control & timing was just awesome we came together & collapsed in a tight embrace with me still coupled deep inside her.

I am just overwhelmed by the whole experience...I don't know whether she had the same experience...I did as best as I could to keep pace with her lovemaking not sex or shagging....I "lived the dream" for just a few minutes....

I am now sorted at NG house & will avidly watch the calendar...& if she doesn't come here I will make the trip to see her.....Hazel I enjoyed every second of our time together. I enjoyed the Cape story.

I will be back to organise the trip over the border...remember to pack your swimming costume (if indeed you intend to wear one...it is a private pool.

Thanks to Hazel

Thanks again to the brilliant staff at NG....next time I will bring the DVD of Godzone.
