The Premises:

Small, but nice and tidy, nice lighting to get you in the mood although with this honey, who cares!

The Lady:

Fucking great body! tanned, dark hair and the arse and tits were fucking sublime!

The Story:

I love Latino/Italian babes, makes a change from E.E girls! Anyway, I'd been eying this baby up for some time and after months of spanking the monkey over her pictures, I decided it was time for the real thing. ?200 is more than I usually spend, but this had to be done to get it out my system. Loved every minute. All the usual; owo and fucking in different positions and I also rimmed her too! purposely took ages to come so I could enjoy the sex more. I've got a taste for these dark exotic babes! I wish she was my girlfriend that's all I can say!
