The Lady:

Tallish (about 5'9) longish curly brunette haired Brummie girl aged 19. Very attractive slim girl with nice pert boobs.

The Story:

Once again found myself with time to spare in Brum so turned up at my favourite parlour. Choice of 3 lovely ladies but opted for Cassie as she was newish and seemed a bit nervous like me.

Started tentative french kissing and fondling which got more passionate as time progressed standing at the end of the bed whilst slowly undressing her.

She let me take the lead which is something I prefer and after 10 mins or so we lay down together.

Cassie seemed to be warming to my kisses and caresses as I explored her lower region with my fingers. She let out little whimpers and after about 15 minutes of this she came quietly and with a little shudder - wonderful! We cuddled some more and then I entered her in mish and whilst snogging came satisfyingly deep inside her. Fabulous time with a lovely girl.
