The Premises:

She was working with Eva, I think they are in buisness together. it was very clean and in a nice area it was so safe I wish I lived there.(with the girls)

The Lady:

Angel was very pleasing to the eyes, about 5ft size 8 ish with an all over tan and great arse and legs and very smooth skin.

The Story:

Being with angel was very pleasing, she gave great oral and she loved to be tickled, the sex seemed to be a bit of a problem for her due to the size of my cock, and her tight pussy. She has great look to her and i realy wanted to kiss her, but angel only pecks (what a shame) but i realy enjoyed trying. Hope to see her again very soon.
