Brand new house on new housing estate with parking directly outside.  
Inside proper nicely decorated n furnished.

### The Lady:

All as per her web site, pictures dont do Tara justice she is much prettier in the flesh.

Damm sexy eyes too.

Asked by Tara what she should wear(always nice to be asked ladies)Standard answer from me  
"stockings n sussies" of course

### The Story:

Greeted at the door by Tara dressed just how i like em in stockings and sussies sexy top showin off her ample cleavage and skimpy little skirt.

Availed myself of her shower facilities and joined Tara on the settee in the living room. Straight into a bout of sexy snoggin n fumbling around.

Tara dropped to her knees and started to administer some wonderful owo and ball licking and teasing which was chuffin great, off with her top for a little titty wank n plenty of boob n nipple sucking (Tara has very responsive nipples)

Retired to the bedroom where Tara removed her skirt and continued to administer her lovley oral skills holding me on the verge of cummin for quite some time, would you like to cumm this way she asked?

Silly question so Tara picked up the pace a little bit with the owo and i blew my load into her willing mouth where she promptly swallowed the lot. Chuffin great.

Plenty of relaxed chat and cuddles after stayed longer than my hour though no rush or clock watchin from Tara what so ever.

Totally selfish punt from CF not payin any attention to Tara's needs but hey i was a little pre occupied. Next time Tara i promise.
