ok flat, not particularly nice but that bad

The Lady:

It is the same girl in the picks, however, she is in no way as nice in the flesh. She is chubby and covered in tatoos and if i wasn't horny i would have walked away and left it.

The Story:

She's not the sort of girl you would pay ?100 for a fuck, however, putting all that negativity aside, she is a lovely girl and we had a reasonable amount of fun together, even with all her piercings and her flabby stomach. I apologise for sounding like a bitch - but i hate the fact that her picks were so heavily photoshopped.
