The Story:

I'd read a couple of good reviews on her, but it was a visiting colleague from up north who inadvertently one evening had blurted out that I MUST go and see her. Was slightly the worse for a few drinks by the time I got to her place, but she was friendly and offered me a glass of red wine. She was wearing fishnets and suspenders, not a lot else, started snogging immediately and off we went. Pretty good oral, had me close to bursting, and with her encouragement I went for the facial. Bit of a clean up and then for round 2 we went for anal which she seemed to love more than any girl I've ever known. I'd say a pretty wild experience and I'm sure I'll re-visit.
