The Premises:

The entrance to the flat looks a little run down, but once inside the place is clear and functional.

The Lady:

Emma is approximately 5'3" tall, size 8 with a 32C chest and blonde hair. She is very cutesy and has very lovely legs.

The Story:

We got the business out of the way at the start and Emma left me to undress for a few moments. There was a porno playing on the TV but just as I was stripping off my undies Emma returned and offered a massage. It was a very gentle back rub, when asked I suggested the massage could be a little firmer and Emma was happy to oblige. After a short while Emma's hands wandered down to my arse and balls so when I could wait no longer I turned over to allow her better access to my three piece set. It wasn't long before Emma's kisses and handy work got me hard and it was on with the condom for some very good covered oral.

Emma rode me cowgirl for a little while and it was good to enjoy the view and to fondle her lovely breasts. Then it was my turn to do some work and we continued with me on top for a long session before the inevitable conclusion.

Emma is a lovely lady and knows exactly what she likes, as well as how to please her clients.
