The Premises:

Clean and tidy within a safe area and easy reach of transport.

The Lady:

A dancers figure. Around 5feet 7inches tall, toned with small but well proportioned breasts and perky sensitive nipples. Lovely shaped botton. Certainly like her pictures and attractive. I'm so fed up with the photo-shopped images of girls.

The Story:

She was warm, welcoming and offered a glass of wine on arrival. Dressed in transparent sports shorts with skimpy panties beneath a short top. Veronika oozed flair and I asked if she had any French connections but apparently she hails from Latvia. She appears confident and is willing to please. Veronika had very discreet braces on her teeth but I did not notice them and nor did they hinder her performance. I think she could adapt to different situations with ease. Her English is fine too. I would love to see her dance.
