The Lady:

She's a blonde goddess in her late 20s, looks to me that this girl simply is born to do this job. The body, the attitude, everything seems to be there only to give pleasure, and what kind of pleasure, if you just look at the website there is a whole list of services, all of which available. All in all she is just, simply great.

The Story:

I'm honestly surprised that Eve doesn't have more reviews, she is, without doubt a lady above standards. It's not only the amazing oral or the great sex, what really stunned me was the level of naughtiness that she put into things. I shall classify her tongue, her mouth, her hands, one step beyond the average service, really a gem.
