like a little doll, quite small but wonderfully full bust , sexy feline green eyes , small hands like a kittens paws, speaks with the sexiest accent , wearing a red bra with the skimpiest of matching knickers , dangling earrings.

### The Story:

with few nice parlours to visit locally , i decided to venture further afield to south of the river , the details on the website looking very friendly and welcoming . I phoned that morning Debbie (the boss) holds the fort /maids on Tuesdays , she sounded ; fun sexy and down to earth , as did Bonnie and Debbie's description of what goes in her cellar parlour , i made an appointment to visit , Debbie also told me she finds it much more fun to be working herself than to be the maid.

I made the trek to south of the Thames , the weather was vile , there had been gales blowing the previous day , and a bitterly cold fierce wind was blowing , and having located the place phoned about 5:40 pm to ask if i could arrive early , Debbie told me this would be fine , i walked to the entrance pressed the correct bell , i waited a couple of minutes although it seemed like an age , Debbie opened the door and invited me in we kissed on the cheeks , Debbie is very friendly bubbly with a lovley full figure , as she led me down the steps she described how they would have to warm me up from the bitter cold outside with all the fun that goes on in her basement , she showed me to the bedroom , and offered me a drink , i chose a lager which she brought for me, and asked if i would like some porn on the dvd , telling me Bonnie would be coming through to meet me.

Bonnie entered ( see above) smiling excitedly , by a happy coincidence i had visited her previously (before i began writing FRs ) and this was a wonderful surprise as we'd had a lovely rapport , we embraced kissed on the cheeks and she told me i was a naughty boy , she asked for the 140 which i counted out , she asked me to get ready and left, i quickly undressed and was down to my boxers , when she returned ... with Debbie!

Debbie asked us if we had met before to which we both replied we had . Unsurprisingly i was bursting with excitement , and there was a bulge in boxers " look at his cock" said Bonnie pointing

excitedly, Debbie smiled and left us together.

I quickly removed my boxers as she did her bra and was about to undo her knickers when i said that i would like to undo them , i undid the laces at the side of her red/dark pink panties there was a design on the front although i wasn't taking much notice as i was infinitely more interested in the contents as i revealed ... the exquisite pink petals of her pussy , almost totally shaven but for a small tuft of pubic hair ... oh yum!

We climbed on the enormous bed and began chatting and cuddling wonderfully intimately , i'd had an awful journey down on the over and under grounds and had been perspiring heavily , i hoped i wasn't smelling and Bonnie assured me i wasn't , still i suggested we take a sexy shower together (which Debbie had described on the phone earlier ) Bonnie agreed this sounded like fun , we each put towels on and went through to the bathroom together , and got into the shower unit . Bonnie turned the shower hose on , there was some strawberry scented shower foam which she rubbed over my shoulders , chest, and spent particular attention rubbing it over my cock , i massaged foam over her breasts (wonderfully firm and smooth) her tight little tummy , she asked me to "lick my pussy" , i attempted to crouch down and put my head between her legs but the cubicle was too cramped and we both agreed we would have to wait until we got back into the bedroom.

We went back to the boudoir and quickly dried , climbed onto the bed , Bonnie opened her legs delightfully wide and lay on her back , i moved my head between her legs used my fingers to open her divine petals which i gazed at and complimented her on before going down...she has the most wonderfully receptive pussy , wet before i had even started , and became damper and damper as i licked , i was down on her for 5-10 minutes before i asked if she'd like us to continue with her sat on my face . We changed places i lay on my back as she lowered her delicious bum and i recommenced she was so wet , as if i was in any doubt she gave a running commentary "you are making my pussy so juicy" , i also felt her sliding a condom over my cock and she sucked me , however as i continued to lick her divine putenda , clutching the cheeks of her perfect peachy bum, she stopped sucking , i felt her body become tense and gasped , i continued licking losing all track of time until her whole body shook before she lifted herself off , "you've made me come " she told me.

A few moments later having told her that i like to wank over her , we agreed to both wank for each other , i did so while she began to finger herself which she would regularly pause from to put her juicy finger into my mouth. Next she took a dildo from the small chest of drawers which she slid a condom over , i watched with delight as she stuffed the entire length into her quim repeatedly before withdrawing it glistening with her juice , and stuffed it into my mouth , and we repeated this her stuffing it inside her pussy before slamming it into my mouth.

I asked if she thought we were ready to fuck yet , but Bonnie said she'd like to suck my cock first ( i wasn't arguing ) i lay on my back , and she began to fellate . I brushed the fringe of her hair to the side so i could get a full view of her twinkling emerald green eyes and her mouth full of my cock , she would make a fantastic porn star , which i suggested to her , she would pause from sucking taking my dick out of her mouth to explain she has been offered work in porn ( which i can quite believe ) but the money she explained is not sufficiently high to justify losing her anonymity, which i could fully understand, and she resumed.

Much to my embarrassment i needed to take a pee , and excused myself to go to the bathroom , having to remove the condom , when i returned to the bedroom Bonnie had nipped out , she returned seconds later , put another condom on me and after a brief suck , we were most definitely ready , we commenced with her lying on her back with her legs wide apart , before then moving to doggie (her favourite) she looked fantastic with her cute creamy bum in the air and the beautiful pink of her quim , it was wonderful to slide my cock into her , she not only fucks like a pornstar she talks like one , as she described "you make my pussy so juicy" she wasn't wrong even through the condom her pussy felt so moist and warm. Next it was cowgirl , i lay on my back and she mounted riding my very hard , i was perspiring and she wiped my brow for me with a tissue. I asked which other positions she knew , she went over to a chair in the corner of the room , and which she climbed onto and kneeled on again her bum sticking out sexily . We had to reposition ourselves before managing to successfully get into a fucking position . I suggested we next try spoons , she looked puzzled until i explained/showed on sides, we quickly got back onto the bed and recommenced . Bonnie pointed out we didn't have much time left , she also gave a stream of delicious porno talk "spunk me let your sperm come out of your balls into my juicy pussy" i asked if

we could get into missionary , which we did and i felt myself obeying the request , it was an orgasmic come and i was sweating heavily , we kissed delightfully , and i withdrew , Bonnie said she wanted to see my spunk , she looked at my cock in the spunk filled condom and commented excitedly on how much spunk there was , the condom was removed she wiped my cock and said shortly she would need to take a shower , i had started to get dressed when we kissed on the cheeks and she left the room.

Shortly afterwards Debbie rejoined us explaining the next customer had arrived , not that i saw him as there was a discreet curtain in the main reception room , and she led me out through the back way , we chatted about what a happy coincidence it had been , and about some of the other girls at her parlour and kissed on the cheeks.

I left despite the vile cold wind outside glowing inside with happiness.
