The Premises:

Very nice pad in the very new complex in Chelsea Harbour. Has only been there 3 months and still needs a little softening but Melanie has plans for it so should be great in a few weeks. Great views and extremely comfortable bedroom. Bathroom is very convenient.

The Lady:

Pictures of Melanie are the old cliché, they really don't do her justice. I'd seen her pictures on another agency type and much preferred those but as I was speaking to Michael at Touch of Class and another girl was unavailable so he hooked me up. Very young girl and naturally pert body standing about 5ft4. Great ass and smallish but tempting tits. Facially she's stunning with pouting lips and beautiful wide eyes. Great smile framed by long dark hair! All dressed in stockings and a small minidress.

The Story:

Welcomed with a natural flirtiness and great enthusiasm. Very sexy kisser which immediately gets the fires stoked as to say. Chat to get to know each other then onto the bedroom. Her youth gives her a natural exuberance that is immediately felt, possibly a little too enthusiastic to begin with but soon into the swing of things through OWO and then a variety of positions. Slight lack of eyecontact but making all the right noises and very much into the swing of things. Good technique all around and quite insightful as to position changes.

One thing that was different from the norm was a delightful light massage through the interval. Her language skills are charming albeit limited and this was a wonderfully relaxing diversion. She's very sweet so conversation was stilted but still very enjoyable and she has a lack of self consciousness and a frankness that's refreshing.

Round two was good OWO that was ultimately unsuccessful. Think this was a combination of me getting on a bit and a slight tiring from Melanie, but to be fair she had another appointment and she can't bob away forever.

Conclusion, young and dynamic girl whose only faults is a little too enthusiastic initially and possibly

a little more eye contact.

Michael and Susan helpful as always.
