### The Premises:

A studio flat in an apartment block. The area was safe but quite busy. The ladies met me outside o make it easier for me to have the flat.

### The Lady:

The ladies were as described on their website. Anna has a posh English accent and Michelle has a soft French one. Both have lovely soft skin and pert breasts.

### The Story:

I spent delight hour (and a little bit more - these ladies were in no rush) with these two lovely ladies. There were dressed in lovely lacy lingerie, as requested. They slowly undressed me on the sofa while we kissed and cuddled then we moved to the bed. On the bed we had a great "snog" and they took it in turns to suck my cock. Michelle enjoyed being spanked and in fact insisted that I did it as hard as I wanted. Michelle, with a strap on, and I spit-roated Anna.

All in all i was a great time and afterwards Anna walked me to the tube station.

This was the first time I have used this agency but I don't think it will be the last. I want to spend some time with just one of the ladies next time, the only problem is trying to decide which one.
