### The Premises:

very clean with good hot shower and clean towel.parking nearby, this establishment is tucked away from the main road, so make sure you get clear directions as it is not visible from main road.this was my first visit to victoria sauna and i was given a warm welcome by the manageress and made to feel very much at home and ease in my surroundings.

### The Lady:

amber has a good body and is early thirties, dark shoulder length hair..this lady i believe only works here on mondays but do check.She has been in the industry a number of years and has good a good understanding of people.

### The Story:

started with a massage which amber does well, she supplies good conservation and the massage was so relaxing i almost fell sleep.

i opted for a fps and amber was certainly well versed at her job.

i had a great time with amber and always felt relaxed and comfortable with her.
