The Lady:

Gorgeous girl from Slovakia, with such a cute smile, slim frame with cracking natural boobs, great figure all round.

The Story:

Went to the main flat, showed in by the maid who was very fit, and was told was relocating to a flat upstairs, followed her up and shown to room, Nikki joined me a minute later, and from the moment she came in the door to the moment we said goodbye the smile never left my face.

Greeted Nikki with a kiss and sorted the money and got down to the fun. Plenty of kissing on the lips, soft and sensual just the way I like it, she also kissed up and down and around my neck as well, we did this standing up and it allowed me to feel her bum at the same time. Guided her around and cupped her boobs from behind whilst she rubbed her bum into my already up for it chappy below.

Turned around again and more kissing and then she went south to lick and suck both my nipples that felt awesome, slipped off her bra and gave her nipples some attention and then it was time to move on. Oral was covered and ok, but time was pressing as I just loved kissing and caressing her so it was onto the bed for the main course.

Starting with Nikki on top she gently climbed aboard and started slow whilst kissing and increasing in speed, and then slow again, after a while we switched positions into missionary, slipped inside her and again plenty of kissing, the bed was a creaking away like a good un.

Wanted to finish over her boobs with a handjob so to the edge of the bed we went, i stood whilst she positioned herself on the end and finished me with her hand, with the occasional sucking of my nipples again as well, all over her lovely boobs.

Got her some tissues and we cleaned up, and had a brief chat with her as we did, about her work

and Slovakia, her English is not perfect but its ok I thanked her and we left the room and went to the flat door and said goodbye with a kiss.

Terrific lady who is well worth seeing.
