The Premises:

Spotless apartment in a new development. Plenty of parking, totally safe.

The Lady:

Gorgeous mature woman. She really is put together well, and a good six footer in her heels. Whether you go for the looks, tit, leg or bum man you will not be disappointed. She puts you at ease with her people skills also.

The Story:

I enjoyed an excellent hour from the moment I was let in until leaving. I was given a nice slow massage with plenty of attention down the rear cleavage and below... very nice. Needless to say I did not last too long.

Had a chat for a while and tried out my oral skills, and then onto a doggy session. This was finished off with a fantastic oily wank. Lovely.

This was my second visit and it won't be my last.

Thanks Sasha
