The Lady:

Pretty and cute. Not as slim as the pictures in the sight may lead one to belived, but attractive and sexy.

The Story:

After the routine shower I came back to the room, and she had my cock in her mouth before I could say "hi". Clearly on the quick side, but very enjoyable. She was polite and pleasant all the time, and seemed happy to be there. Sex was energetic and, whilst I find it hard to believe myself, she seems to have had a couple of genuine orgasms during the session, which was nice. I certainly recommend, but being an occasional punter, probably will not return
