The Premises:

Pleasant apartment in a new development on the border of Manchester and Salford. Safe area. No problem with parking.

The Lady:

Shilpa is a truly beautiful woman of mixed Asian/Chinese extraction. She has a pretty face and flawless complexion. She was dressed in an attractive outfit, which included boots and a short skirt. Once undressed, she has a stunning, thin but well-proportioned figure. She has shapely and attractive breasts - definitely two of her best assets.

The Story:

This was my first encounter with an escort, so I was feeling nervous. We sat on the sofa, drank some wine and talked. From there, we moved to sensuous kissing. Between us we removed her clothes in very erotic way. I had no trouble being aroused and we moved quickly to the bed to continue our encounter. The sex was natural and flowed easily. I don't think that I want to go into the mechanics of this but it was a genuinely satisfying experience. Shilpa seems to enjoy sex and there was no artificial acting. Afterwards, I was given a relaxing back massage and we had a good conversation. Shilpa is educated to degree level, so is an intelligent as well as beautiful companion. This girl has got it all! I cannot recommend her highly enough.
