The Premises:

As reported on in other reports this is just as I expected it. Clean and tidy.

The Lady:

Stunning young girl. Slim figure, long brown hair, great eyes and smile, around 5'7" and a lovely personality, that put me at ease straight away.

The Story:

I was led to the room, on arrival. There was a radio station playing on the stereo and a porn movie on the TV. The bed was nicely made and generally the room was nice and relaxing.

I was asked if I knew who I wanted to see, I asked if I could meet the ladies. I was told to wait in the room and they came down separately.

Chelsea was first and I was smitten - wow, she's gorgeous. Next in was Zoe and she's stunning too but a little older than Chelsea. I had a dilemma - the body, eyes, smile etc of Chelsea, or the experience of a more my age lady? I chose Chelsea.

What a fantastic time with such a sweet and yet very horny young lady. It says on the New Escape website that "Although she is a beautiful young lady, she is never arrogant or cocky and loves to meet people and get to know them. In fact she is so dedicated to making sure you have fun that she will forget she is at work most of the time!" And I can no more than agree with that statement. I had a very relaxing and pleasurable time with Chelsea - in fact, by far I've had with a working girl.

Started off with a true GFE. Lovely kissing - Chelsea matching the softness and later the urgency of my kisses perfectly. Lots of oral on her beautiful pussy which was a real turn on for me, hearing Chelsea getting carried away on my tongue-stud. Chelsea actually asked to suck me as she "was feeling selfish, getting all the attention".

We got into the 69 position and Chelsea gave me a short, but outstanding owo before suggesting that I take her from behind, in front of the mirror - what a sight!!!! Chelsea's body is slim, lovely firm 34B (ish) breasts, her ass is just peachy and her legs are that you'd expect to find on a

lapdancer/dancer. Add to that her pretty face, her gorgeous smile and those eyes, oh those eyes ? and I was impaling her pussy, from behind, with my arm around her waist and kissing her passionately ? all my Christmasses came at once.

However, I didn't and onto the bed for a variety of positions before finally giving into temptation and filling the condom. Chelsea was in no rush to get rid of me, in fact, more casual information flowed freely between us whilst we tidied ourselves up and getting dressed before I left with another nice kiss at the door ? and a promise to return.

Chelsea, thank you again for an amazing half hour, or so. When funds allow, I'll take you up on the offer of a threesome with you and Lee but I'll keep you for the extra half hour afterwards.
