The Story:

Gave me a whisky to mellow me out.Looked absolutely gorgeous in black lingerie & was very friendly & polite both on phone & in person.She smelt great(expensive perfume)& I knew I was was with a classy but very friendly girl.Finished some of my drink.& after undressing & passionate,sexy kiss(God she can kiss)I lay down for sexy tender massage with lots of attention to my bum.Light & sexy & to die for.Then more snogging & I went down on her sweet scented pussy & by her writhing & moaning I knew she really enjoyed & brought her to a great climax(don't think it was faked.then she gave me a tender,skillful bj without & took most of my cum in her mouth.I came laughing with pleasure.A fantastic GFE with a tender,gorgeous,fragrant woman with a body to die for.I could still smell her perfume the next day.Cant wait to see her again.
