The Story:

Although I am fortunate enough to be able to afford most things in life, I do not have a taste for luxury. But to be able to afford to spend one hour in the company of a fit, young, blonde sex maniac makes all the hard work worthwhile. From the moment you enter the door, to the moment you leave Louisa is focused on one thing: your cock! A very spirited and liberated young woman, within 5 minutes Louisa will have you giving her a hand with a large dildo, the next she is on her knees watching herself in the mirror as she sucks your cock, the next she will have you on all fours while she massages your scotum with a dildo. Louisa is a fantastic girl and a great fuck. Only disappointment was that reviews led me to believe that she offered CIM but she ended up pulling away at the last moment. This was my first time using Max's angels -- if the others are as good, they can be assured of a new and loyal punter.
