The Premises:

A nice flat. Easy to find. No problems parking. I didn't see anyone around at all.

The Lady:

Early twenties, about 5ft 9ins with a good figure. She has dark hair and brown eyes and a gorgeous smile. A lovely, warm personality with a very sexy approach.

The Story:

I was standing up when she entered the room and from the first kiss I knew this was something special. I declined the usual massage as I couldn't take my eyes off her lovely face. She knelt in front of me, put on a condom and proceeded to give me a fantastic blow job, including deep throat. I had to withdraw as there was still 20 mins to go. We then had reverse cow girl, followed by a very good cow girl, with her bouncing and grinding away in a variation of styles.

Finally it was my turn on top, and it didn't take long. I was exhausted as I am getting on a bit, but asked her what else she did. She said that she uses her own discretion what services she provides. I will be back!
