The Story:

I had wanted to meet Masha (The agency pronounce it Marsha) almost from when she appeared on the site, the week before. Unfortunately she was otherwise engaged each time, but finally we met.

Without a doubt, Masha is one of the nicest girls I have had the pleasure to meet, Well spoken, educated and as I found out, raunchy as hell.

She was "up for it" when I mentioned that I love oral sex. She happily "lay back and thought of England" while I feasted on her fully shaven, sweet tasting pussy. Her OWO was heavenly and throughout, she maintained good eye contact. As the climax approached, I warned her that I was about to explode and asked if CIM was OK ? It was and she took every drop as I shuddered, then swallowed the lot.

I'm more than happy to recommend and am going back myself. What a find !
