The Story:

Well with recent FRs sounding like a Kandy's fan club newsletter I decided I'd add my two pennorth as well. Reading Praxiteles last FR I realised that I was the guy who they "slipped in" before his hour session - so I will claim to have done the warmup for you! Wont repeat what others have said except to say that Kaitlin (as are most Kandy girls) is an attentive lady who is bothered about you and makes you feel special. I wanted to relax so opted for a normal service but didnt actually last beyond some delightful hand relief. I see Praxiteles is into CBT and I also found out that kaitlin enjoys this aspect - she did exactly what I asked and I left with a big smile as usual.
