The Lady:

This was the second time i had seen Leilani previously i had seen her just couple off months ago. She gets better each time i see this lady. Tall Slim Brunette, in her mid 20's, half english and half asian looking. Body to die for, absoulatly stunning lady, and great personality.

The Story:

After exchanging few emails over the weeks, i finally got to see Leilani. She arrived at the hotel dressed to please, in a professional business suite. I meet her in the lobby, had few drinks and some lunch. Leilani, freshned up, and slipped into somthing sexy for me, stockings, suspenders, and high heels every mans dream. She made me feel at ease yet again, taking her time with me and not rushing me at all. I had great time with Leilani wont go into detail but you have to try this lady out yourself to find out what i mean. P.s Leilani does have her web site but due to personal reasons only gives it out to clients on request so please do ask her guys when you call her.
