The Premises:

Felt very safe, and considering it was my 1st time with a escort I felt totally at home! - all them guys who worry like I did today please dont.

The Lady:

Gorgeous in every way, stunning looks and very smooth skin! - felt like I was in heaven! - Very good looking lady indeed.

The Story:

Met at door by Jacky, 1 minute later Debbie arrived wearing skirt, FF stockings and belt and heels. Went upstairs and it began. Kissing and cuddling, then she started to stip me off, by this point my heart was racing. Layed down on bed and recieved BBBJ and fingered her pussy, out with the hood and she sat on top the whole time untill I came.

Absolutley fantastic lady, recommend to anyone seriously, I dont know if this is because it was my first fuck from a escort, but I think the serious answer is she is damn hot and good at it!
