The Premises:

Silks is tucked away down a small alley, it is welcoming and very clean and tidy. The receptionist is helpful and very professional and shows you into a cosy room with a porno on the tv and music in the background.

There is a large comfortable bed and en suite bathroom with a shower.

The Lady:

Julie is in her fifties but has a good figure with tits you can loose yourself in. She was wearing suspenders and stockings and not much else and just oozed sex.

The Story:

I had a semi on for most of the day so it took very little touching to get me rock hard, and when she started the OWO I nearly came there and then she was so good at it. We moved onto the bed and had spell of reverse oral with her juices going all over my face then onto mish with her loving every minute and as I don't usually come wearing a condom she took it off and brought me to a great climax using oral and hand and I sprayed cum all over her and me.
