The Lady:

A gem of a girl, bags of energy and a real personality. About 25yrs old with a great body that she loves to show off!

The Story:

I'm not going to go into great detail but everything Kinkster did she did it with boundless enthusiasm. Even if she only enjoyed herself 10% of what I did I'm sure she still had a great time. This is a lady who knows what she wants and she likes it hard and fast - and I tried my best to keep up :-). Her owo is sublime, she tastes great, kisses passionately and the sex is even more passionate. I almost came listening to her tell me about the fantasy she fulfilled.

The punters of Manchester are lucky lucky people.
