The Premises:

My first visit to Brooklyns for some time but pleased I gave it another try after a few disappointments recently in Crewe. Very nice friendly receptionist who honoured my booking almost to the minute. Not changed much but still very clean and en-suite shower in the main room with clean towels and all you would expect from a well run establishment. Has a discreet rear entrance.

The Lady:

Morgan has only worked here for a few weeks but very relaxed and makes it obvious she is enjoying her work. A lovely young lady (mid 20's?) with short blonde hair, slim figure with pert breasts and great legs. Nice friendly personality and fun to be with.

The Story:

I left with a smile on my face thinking what a great way to break up a rather boring afternoon in Crewe. A lovely back massage before I turned over and she was straight on my case with a slow and sensuous blow job. Then turning on her back she asked me if I was going to do the same thing for her. I willingly obliged and gave her sweet pussy some serious attention which she loved. Then great sex in mish position with her legs round my back and over my shoulders before I suggested doggy. She replied "Oh yes please - I love it" - and so did I! She finished me off on my back, spitting and drooling over my cock, asking me to spurt all over her. I soon did - big time. Very nice indeed and I will definitely be back for more.
