### The Premises:

Nice enough flat above shops in High Road, accessed from an alleyway at the back. Area seems ok during daytime, though I wouldn't hang around here at night.

### The Lady:

Mid 20s blonde, very pretty face but body not as attractive as website photos suggest.

### The Story:

A very disappointing punt. Having read her previous report I was a little wary of seeing Holly but took a chance as the other girl was busy. Agree with angel surfer that Holly rushes, has a bad attitude and is full of excuses for not doing anything. The one I most remember is that she doesn't kiss (fair enough), because she kisses her daughter every night. However she was very keen to put my cock in her mouth! I would have had more respect for her if she had just given a plain no.

Stupidly I went for the half hour service but Holly was in a big rush to finish the punt as quickly as possible. We started with a very quick "massage" before she asked me straight away if I wanted french. I asked for a bit of touching first but she wasn't very interested, kneeling on the bed and making contact as difficult as possible. She let me suck each of her nipples for a few seconds before quickly moving away, then I asked her to lick my nipples which she did very briefly (I hardly felt it) before she pinched them a little.

She was very keen to get me out so put on the condom for some oral followed by sex with me on top looking at her lovely eyes. I was quite pleased to get out in the end as she wasn't interested in providing anything like a good service. I paid for half an hour but it was all over in 10 minutes, and that's being generous.

This has the makings of a good parlour here when Kay is maid but girls like Holly will not enhance their reputation. Clearly Holly is only doing this for the money.
