The Premises:

This was an out call to my hotel room, so it was fit for purpose.

The Lady:

Annabelle is a slim lady aged 31 with a blonde bob. She has natural 32B breasts that soon perked up and love some TLC. She arrived dressed in a mid length black skirt, black stockings, a nice cardigan and a smart jacket complete with handbag. When these layers were removed (by Annabelle in a storm and flung to the four corners of the room) She revealed a lovely set of matching Lingere.

The Story:

I had contacted the agency who in turn got Annabelle to contact me, we sorted all the admin points wine, clothing, timings and postcode to help her sat nav !

We had a great time and I've lost track of how many rounds we had. Fire alarm going off mid session really upset the rythm, but we did have a good laugh about it and soon returned to the action.

Annabelle said I was good at oral and also said I was a tease, she nearly ripped my ears off with her thighs so I put that down to throes of passion. She enjoys deep passionate kissing and performed deep OWO.

Annabelle is a very approachable person with a lovely persona, she would put anyones nerves at ease. I have only just noticed on her profile that she smokes, but she had lovely fresh breath during our time and she never had a cigarette break.

I am looking forward to an overnigher with this lovely lady.
